

Like Strangers

Cliff Richard

(We're like strangers, just like strangers, we are
We're like strangers, just like strangers)
Strangers, that's what we are
Darling how can lovers pull apart so far
Like strangers, how can it be?
Only days ago, we loved so tenderly

I love you, truly I do
And I hope deep in your heart you love me too
Let's forget that we've been angry
Let's be lovers like before
And swear not to be like strangers anymore
And swear not to be like strangers anymore, anymore

Like strangers, how can it be?
Only days ago, we loved so tenderly

I love you, truly I do
And I hope deep in your heart you love me too
Let's forget that we've been angry
Let's be lovers like before
And swear not to be like strangers anymore
And swear not to be like strangers anymore, anymore

Like strangers, that's what we are (just like strangers, just like
like strangers)
Like strangers, that's what we are (just like strangers, just like
like strangers)
Like strangers, like strangers (that's what we are)
We're like strangers, that's what we are
