

Life Gets Away

Clint Black

We're tied to our memories, they won't let us stray
We're not gonna lose ones we made yesterday
We look to our future and we make all our plans
As if we control what is out of our hands

The world keeps on turning I'm learning to see
Right where I am is where I have to be
You can't count the pages, all ages hear the call
No matter how hard we try life gets away from us all

We start getting older the moment we live
Look over your shoulder there's hindsight to give
Come good days and bad days the sun's gonna rise
So why look beyond what's in front of your eyes

The world keeps on turning I'm learning to see
Right where I am is where I have to be
You can't count the pages, all ages hear the call
No matter how hard we try life gets away from us all

No matter how hard we try life gets away from us all
