

## A Good God

Cloud Cult

And for a moment I saw God  
And it was so effing precious  
It was an 80 year old dog  
A little girl kissing a frog  
A little boy who thought Jesus was He-Man

And then, and then  
And then, and then  
And then, and then

I found divinity in the hole in the front of your head  
You spoke of bubblegum bombs  
You dressed the devil in a thong  
You turned funeral cries into lullaby songs
