

# More Than Willing

Cock Robin

I see you got a lot on your mind  
Maybe something that could change your whole life  
It's not for me or anyone else  
To remind you what you oughta know well

It's gonna break up or break me down  
I know I can't hang on much longer now  
Just me out walkin' in my shoes  
I'm gonna take it on, or turn it loose

Only one person can say  
There's not a thing in my way  
Hope it all works out okay  
Oohhh

How can I tell you  
Of the hours that I keep reliving?  
Any way I can help you  
You know I'd always be more than willing  
More than willing

Have you noticed I'm still here?  
I've got no real place to hide anywhere  
I'm not ashamed if it seems too hard  
But how can I tell if I've been right so far?  
So far, oh baby

Only one person can say  
Only one person can say  
There's not a thing in my way  
Whooooaaa

How can I tell you  
Of the hours that I keep reliving?  
Any way that I can help you  
You know I'd always be more than willing

How to repay you  
For all the emptiness you keep filling  
If I were the one that you came to  
You now I'll always be more than willing

Only one person can say  
There's not a thing in my way  
I find my way  
Hope it all works out okay

How can I tell you  
Of the hours that I keep reliving?  
Any way I can help you  
You know I'd always be more than willing
