Cock Sparrer

Back home
they'll be thinking about us
when we are far away
Back home
They'll be really behind us
In every game we play
They'll share
Every goal we are scoring
Out there
We still hear them roaring
And we'll give all we've got to give
For the folks back home
Back home
They'll be watching and waiting
And cheering every move
Back home
Though they think we're the greatest
That's what we got to prove
Once more
We will meet with the best like before
We'll put to the test
Knowing, we'll give all we've got to give
For the folks back home
They'll see as they are watching and praying
That we put our hearts in our playing
We'll fight until the whistle's blown
For the folks back home
We'll fight until the whistle's blown
For the folks back home
