

I Need a Witness

Cock Sparrer

I got home this morning 'bout a quarter to four
I found my baby headin' out the door
Cuz I been out dancing all night long
She thought I been romancin' but she got it wrong
I try to stay clean she wont let me be
Shes always checking up on me

I need a witness
Yeah I wasn't sure but I thought she saw
I need a witness
I don't wanna show it I hope I don't blow it

I love that lady but shes such a wench
Ended sleeping on that old pine bench
Cuz I been out dancing all night long
She thought I been romancin' but she got it wrong
I try to stay clean she wont let me be
Shes always checking up on me

I need a witness
Yeah I wasn't sure but I thought she saw
I need a witness
I don't wanna show it I hope I don't blow it

I need a witness
I need a witness
I need a witness
I need a witness
I need a witness
Yeah I wasn't sure but I thought she saw
I need a witness
I don't wanna show it I hope I don't blow it
