

Good To Be Home

Coco Jones

with reverence i enter into this holy place
a home that's like no other, full of mercy love and grace
and though it's been a long time
i've never felt that far
'cause you were always on my mind
you were always in my heart
chorus:so good to be home where i know that i belong
inside this house of love with a family so strong
and i'm here to worship and pour out my offering
in the presence of this love i'm never alone, so good to be home
e
i know i'm always welcome into these open arms
when all of us are gathered we shine a light into the dark
this home is where my heart is and it's always been that way
'cause you're forever by my side and i know i'm here to stay
chorus
and by faith we believe and proclaim our deepest love to give
our everything, everything to a power beyond us
and when it's cold outside, it's always warm right here
yeah so good to be home
chorus
home, home, home sweet home
home, home, home sweet home
