

Houses

CocoRosie

Ask me about my mother
And I'll tell you that I love her
'Cause she feeds me all kinds of foods, la la la
She feeds me all kinds of foods
Don't you love your baby
Tell me
Tell me, tell me, tell me truth
And all the food you ate
Enough to fill your plate

Big houses burn
Big houses burn down
Big houses burn
Big houses burn down

Big houses burn
Big houses burn down
Big houses burn
Big houses burn down

Big houses burn
Big houses burn down
Don't burn down mine
