

My Love Paramour

Cocteau Twins

Two different fates;
My love paramour ooze out and away
Two different fates;
My love paramour ooze out and away
Two different fates
They fig up my love ooze out and away

Two different fates
My love paramour ooze out and away onehow

Love if it's swallowed for pity
Must ooze out and away onehow

Love if it's swallowed for pity
Must ooze out and away onehow
Two different fates of my love paramour
Ooze out and away onehow

Love if it's swallowed for pity
Must ooze out and away onehow
Two different fates of my love paramour
Ooze out and away onehow

Two different fates
My love paramour ooze out and away onehow
