My Love Paramour

Cocteau Twins

Two different fates; My love paramour ooze out and away Two different fates; My love paramour ooze out and away Two different fates They fig up my love ooze out and away

Two different fates My love paramour ooze out and away onehow

Love if it's swallowed for pity Must ooze out and away onehow

Love if it's swallowed for pity Must ooze out and away onehow Two different fates of my love paramour Ooze out and away onehow

Love if it's swallowed for pity Must ooze out and away onehow Two different fates of my love paramour Ooze out and away onehow

Two different fates My love paramour ooze out and away onehow
