

# Green Eyes

Coldplay

capo 2

Honey you are a rock  
Upon which I stand  
And I come here to talk  
I hope you understand

R: The green eyes  
Yeah the spotlight  
Shines upon you  
How could  
Deny you?

I came here with a load  
And it feels so much lighter  
Now I've met you  
And honey you should know  
That I could never go home  
Without you  
Green eyes

Honey you are the sea  
Upon which I float  
And I came here to talk  
I think you should know

The green eyes  
You're the one that  
I wanted to find  
Anyone who  
Tried to deny you  
Must be out of their mi--nd

'cause I came here with a load  
And it feels so much lighter  
Since I've met you  
And honey you should know  
That I could never go home  
Without you  
Green eyes

Green eyes ohohohoh  
Ohohohoh  
Ohohohoh  
Ohohohoh

Honey you are a rock  
Upon which I stand...
