## Coldplay

They were sitting, they were sitting in the strawberry swing And every moment was so precious,
They were sitting, they were talking in the strawberry swing And everybody was for fighting
Wouldn't wanna waste a thing

Cold, cold water bring me 'round Now my feet won't touch the ground Cold, cold water. What you say? It's such, it's such a perfect day It's such a perfect day

I remember we were walking up to strawberry swing I can't wait until the morning Wouldn't wanna change a thing

People moving all the time
Inside a perfect straight line
Don't you wanna scurve away
It's such it's such a perfect day
It's such a perfect day

Now the sky could be blue I don't mind Without you its a waste of time

...could be blue
I don't mind,
without you it's a waste of time

The sky could be blue, could be gray without you I just slide away

The sky could be blue, I don't mind, without you it's a waste of time
