Fixing up a car to drive in it again
Searching for the water, hoping for the rain
Up and up, up and up

Down upon a canvas, working in a mill
Waiting for a chance to pick your orange field
Up and up, up and up

See bird form a diamond in the rough

See a bird soaring high above the flood
It's in your blood, it's in your blood

Underneath the storm an umbrella is saying
Sitting with the poison takes away the pain
Up and up, up and up

We're gonna get it, get it together
I know we're gonna get it, get it together somehow
We're gonna get it, get it together and flow

We're gonna get it, get it together
I know, we're gonna get it, get it together and flow
We're gonna get it, get it together and go
Up, and up, and up

Lying in the gutter aiming for the moon
Trying to empty out the ocean with a spoon
Up and up, up and up
How can people suffer? How can people part?
How can people struggle? How can people break your heart?
Break your heart

Yes I wanna grow, yes, I wanna feel
Yes I wanna know, show me how to heal it up,
heal it up

See the forest and then every seed
Angels in the marble waiting to be freed
Just need love, just need love
When the going is rough, saying

We're gonna get it, get it together
I know we're gonna get it, get it together somehow
We're gonna get it, get it together and flow

We're gonna get it, get it together
I know, we're gonna get it, get it together and flow
We're gonna get it, get it together and go

But you can say what is a fire for it
Close your mind and take a risk
You can say it's mine, clench your fists
Or see each sunrise as a gift

We're gonna get it, get it together
I know we're gonna get it, get it together somehow
We're gonna get it, get it together and float

We're gonna get it, get it together
I know, we're gonna get it, get it together and float
We're gonna get it, get it together and go
Up, and up, and up

We're gonna get it, get it together
I know we're gonna get it, get it together somehow
We're gonna get it, get it together and float

We're gonna get it, get it together
I know, we're gonna get it, get it together and float
We're gonna get it, get it together and go
Up, and up, and up

Fixing up a car to drive in it again
When you're in pain, when you think you had enough
Don't ever give up

Don't ever give up
