

I Know

coldrain

I know it seems so bold
And I know that it's hard to endure
But I have to do this now
If I could have your hand through this
It would be so much easier
But I know it's too much to ask of you

I know... yes I know but

If only you could see
That this is all I have
Then you'd know that
I can't let go on I can't let go
But I hope that you are there
If I do make it through
Then I'd tell you
I proved you wrong
I'll prove you wrong

You say it's not my fault
But I'll take the blame and live with it for
The rest of my life
