

Breakaway

Colin Blunstone

I watch the distant lights go down the runway
Disappear into the evening sky
Oh you know I'm with you on your journey
Never could say goodbye
And you awaken in another country
Greet the morning under foreign skies
Leaving me to face another Monday
It's not easy to get by
It's not the place you're going to
It's just a phase you're going through
Though I won't stop you, I don't want you to
Breakaway, fly across your ocean
Breakaway, the time has come for you
Breakaway, fly across your ocean
Breakaway, the time has come
And now you travel on your own opinion
Leave your fears and doubts to fade away
Dust your dreams and take them on your journey
Spread your wings and fly away
It's not the song you're trying to find
Something else that's on your mind
You need a little space and time to breakaway
It's not the place you're going to
It's just a phase you're going through
Though I won't stop you, I don't want you to
