

# No Win Situation

Colin Hay

I bought her a diamond ring  
I had to sell everything  
She said I just don't like the stone

I said let's fly to Bali  
Like a punch from Muhammad Ali  
She said she'd rather go to Rome

We're here today  
But we're miles away  
That's why I say

It's a no win situation  
(From Now On)  
It's a no win situation  
(On My Own)

She said right to my face  
I need to have some more space  
I knew that I was on my own  
She turned up at my door  
Dressed like a high class whore  
Saying I can't stand to be alone

So here we lay  
But we're miles away  
And that's why I say

It's a no win situation  
(From Now On)  
It's a no win situation  
(On My Own)

We're here today  
But we're miles away  
As we fade to gray  
It's a no win situation  
(From Now On)  
It's a no win situation  
(On My Own)

It's a no win situation  
(From Now On)  
It's a no win situation  
(On My Own)
