

Inside your head  
I'd stroll around in synthesis  
And I'd find a way  
To connect all things

To search and roam around  
Take you far away  
To search and roam around  
Take you to another place

Inside your own illusion  
I stroll around the passages  
While I find a way  
To connect all things

To search and roam around  
Take you far away  
To search and roam around  
Take you to another place

So what I am dreaming of  
What about you  
So saturate  
Tell me what can I find here  
When you vanish in the air  
I get caught in the rain  
That falls in your doorway  
Chance is all you need  
You belong too  
No wasting time  
Overlook wrong decisions  
Or my confirmations  
So that I can be
