

## Pills

## Colony 5

As a singer or a song  
Trying to change my mind  
Trying to push me over  
One way or another  
To release me or to smother  
It's hard to remember what I want  
To love me or don't bother  
It's hard to remember what I want

As a movie or a show  
Influencing my morals  
It's a feeling It is stronger  
Than lust or love itself

I am sorry  
If I hurt you  
I had run out of my pills  
I am sorry  
If I failed you  
I had run out of my pills

I am sorry  
If I hurt you  
I had run out of my pills  
I am sorry  
If I failed you  
I had run out of my pills

Stabilizers  
Neutralizers  
Ultra strong  
Harmonizers

I am sorry  
I promise.  
I tried to hurt myself  
And not you

Can't bare it or tear it  
Out of my thoughts  
Can't bare it or tear it  
Out of my thoughts

I am sorry  
If I hurt you  
I had run out of my pills  
I am sorry  
If I failed you  
I had run out of my pills

I am sorry  
If I hurt you  
I had run out of my pills  
I am sorry  
If I failed you  
I had run out of my pills

Stabilizers  
Neutralizers  
Ultra strong  
Harmonizers

I am sorry  
I promise.  
I tried to hurt myself  
And not you

I am sorry  
If I hurt you  
I had run out of my pills  
I am sorry  
If I failed you  
I had run out of my pills

I am sorry  
If I hurt you  
I had run out of my pills  
I am sorry  
If I failed you  
I had run out of my pills
