Slow Motion

Color Me Badd

Ooh, sock it to me mama Oh, I thought I saw a pussy cat, baby Ya she looks like she can be my personal steady Ya, let me make this move

Baby, I want cha very bad, babe, I do And I've been wanting you for so long, oh And I could never love you fast, babe, not you I take my time and love you all night long

All night, you know that I want your love Let me make it right for you All night, you're the one I'm thinking of Once I make it right Baby, I know you will never go, slow

I like to love you in slow motion Ooh, ya got it goin' on slow Let me love you slow, slow I like to love you slow so morning will come before I do Let me love you, slow

Ah, come on, my motor is runnin' You got this animal hype in ya I gotta slow it down To get my timing right

Baby, I think you're very sexy, I do Come over here and get a little bit closer to me, yeah The time has come for me to love you real slow, slow Motion lover is what they call me, slow

I like to love you in slow motion Ooh, ya got it goin' on slow Let me love you slow, slow I like to love you slow so morning will come before I do Let me love you, slow

How do you wanna do it baby? Oh, 20 miles an hour is the speed I drive, all night Ain't nothin' wrong, I just take my time, yeah, but yo check this out Don't get offended if I fall for a little behind baby, yeah, all right 20 miles an hour and uh, your rump is mine, yeah

I like to love you in slow motion Ya got it goin' on slow Let me love you slow, slow I like to love you slow so morning will come before I do Let me love you

Ooh, sock it to me mama

All night, you know that I want your love Let me make it right for you All night, you're the one I'm thinkin' of Once I make it right Oh, 'Make it good', is my national anthem, baby

All night, you know that I want your love Let me make it right for you All night, you're the one I'm thinkin' of Once I make it right

All night, you know that I want your love Let me make it right for you All night

Like a turtle and hare, I promise I will be there Oh am I in? On my honor I will do my best To steal all I can and bonk the rest, yeah You all just as crazy as joy
