

## Kiss me goodbye

Connie Francis

We choose it - win or loose it  
Love is never quite the same  
I love you, now I've lost you  
Don't feel bad, you're not to blame

So kiss me goodbye and I'll try not to cry  
All the tears in the world won't change your mind  
There's someone new and she's waiting for you  
Soon your heart will be leaving me behind  
Linger a while, then I'll go with a smile  
Like a friend who just happens to call  
For the last time pretend you are mine  
My darling, kiss me goodbye

I know now, I must go now  
Though my Heart wants me to stay  
That girl is your tomorrow  
I belong to yesterday

So kiss me goodbye and I'll try not to cry  
All the tears in the world won't change your mind  
For the last time pretend you are mine  
My darling, kiss me goodbye

My darling, kiss me goodbye
