

# Talking About

Conor Maynard

I don't even need to go to the club no more  
I just need you here with me on this floor  
You ain't gotta worry 'bout a thing at all  
Just take a chance, grab my hand, now let's dance

I can feel it in my heart when I'm close to you  
We ain't really got nothing here to lose  
I just wanna bounce, baby, bounce, bounce, bounce  
'Cause you know this right here is what I'm talking about  
Talking about, oh yeah, oh yeah, oh yeah, oh yeah  
Talking about, oh yeah, oh yeah, oh yeah, oh yeah

We've been in this for some time  
You're the type of girl that's always there to hold me down  
When it comes to love you give it all  
'Cause with you it's like I got a friend come rise or fall  
It's why we flow like melodies  
Who needs words, not us, cause we be in L-O-V-E  
Like a beautiful harmony  
Fit together so perfectly

I don't even need to go to the club no more  
I just need you here with me on this floor  
You ain't gotta worry 'bout a thing at all  
Just take a chance, grab my hand, now let's dance

I can feel it in my heart when I'm close to you  
We ain't really got nothing here to lose  
I just wanna bounce, baby, bounce, bounce, bounce  
'Cause you know this right here is what I'm talking about  
I'm talking about, yeah yeah, yeah yeah  
That's what I'm talking about, yeah yeah, yeah yeah  
That's what I'm talking about, yeah yeah, yeah yeah  
That's what I'm talking about, yeah yeah, yeah yeah

I don't even need to go to the club no more  
I just need you here with me on this floor  
You ain't gotta worry 'bout a thing at all  
Just take a chance, grab my hand, now let's dance

I can feel it in my heart when I'm close to you  
We ain't really got nothing here to lose  
I just wanna bounce, baby, bounce, bounce, bounce  
'Cause you know this right here is what I'm talking about  
Talking about, oh yeah, oh yeah, oh yeah, oh yeah  
Talking about, oh yeah, oh yeah, oh yeah, oh yeah

Yeah yeah, yeah yeah, that's what I'm talking about  
Yeah yeah, yeah yeah, that's what I'm talking about  
Yeah yeah, yeah yeah, that's what I'm talking about  
Yeah yeah, yeah yeah, that's what I'm talking about
