

# Something Light

## Consequence

Let that rock  
Oh is the kung fu  
Warmin if they wanna help...  
Investment if they rub themselves, back pole up  
A lot of dudes are kind of cold but I don't polla  
And drive more... the white so good  
Looking back up when your life sober  
I had so many knock out damn it the fight's over  
I strike like a... would correct the needs  
Matter of fact I just let my next check speak  
He so fresh on my...  
Always I do that fat thing all day  
The homie could have low all night  
Nothing major something light

Uh I don't know what all doing  
But I know what we y'all doing  
Tryin get something better spend the night  
But so heavy in the game that is something light  
Hey I don't know what y'all doing  
But I know what we gonna doing  
... new stand that got me wide yeah  
Drop a couple bags yeah it's something light

Start it on the game, now it ain't the game  
Actually it is far roll out the game hey  
I rose the fame of a black start power  
Now that you got kid the black card power  
I spend hours at cash and calls  
Now I... let's that cash involved

I know they thought it wouldn't last it all  
But now the world knows my name is...  
Yeah and after they witness the truth  
Baby ready to... up like they're living with...  
Me and while I'm in the coop with the homie call got it  
... die when she got a cold body  
... so when you see us in the lobby  
Yeah you know we did somethin' right, right right  
We made it to the top but it's something light

My birthday cakes... budget to wale  
To my first play mate who was sexy as hell  
She she like it when I pick up the...  
But instead of progress to request you now  
And now will be the... to make a coffee close  
But she still found the way for em to make a call  
I can't dead her maybe she is zombie  
So we y'all reward and I'm sending your...  
Cover y'all I want agree on help care  
Gone to the sickers say hell yeah yeah  
What you hell hear just to get the bell ear  
Now the belt that I wing like rogers and no bags  
But I got the flow that... we've been slicking and probably gone back  
And then it happens every time we touch the mike  
Yeah we do it major what a something light
