## Converge

Below my solitude I abstain. Above my bitterness I grace the li e. Sinking alone I severed the chord, drifting into the wide. I t lies below this tragedy, this suffering. Life's blood flows o ut of me. The deeper I sink the more life flows out of me. Drif ting towards the light I see torn from my home to be. Hook claw ing at my flesh guiding me through my journey. Drowning in a se e of rusting faith. Killing your dreams with bleeding mistakes. A part of her dies too.
