Never Surrender

Corey Hart

Just a little more time
Is all we're asking for
'Cause just a little more time
Could open closing doors
Just a little uncertainty
Can bring you down

And nobody wants to know you now And nobody wants to show you how

So if you're lost and on your own You can never surrender And if your path won't lead you home You can never surrender

And when the night is cold and dark You can see, you can see light Cause no one can take away your right To fight and to never surrender

With a little perseverance You can get things done Without the blind adherence That has conquered some

And nobody wants to know you now And nobody wants to show you how

So if you're lost and on your own You can never surrender And if your path won't lead you home You can never surrender

And when the night is cold and dark You can see, you can see light 'Cause no one can take away your right To fight and to never surrender To never surrender

And when the night is cold and dark You can see, you can see light No one can take away your right To fight and to never surrender To never surrender

Oh, time is all we're asking for To never surrender Oh, oh, you can never surrender

Time is all you're asking for Stand your ground, never surrender Oh, oh, oh, oh, I said You never surrender, oh
