

# I'd Like To

Corinne Bailey Rae

Lying here with you reminds me of those days  
Me and Candice waking up to a heat wave  
Mother's in the garden inviting everyone  
Ooh, we cut up our old jeans and go outside  
Neighbour's always smiling with the baby on her knee  
Rhea sat on the front step getting her hair combed out and greased  
Music, the bass boomin' from the car parked in the street  
Got that new song on repeat, oh oh

I'd, I'd like to put my fingers on you  
I'd, I'd like to paint a picture for you  
Sometimes you don't understand where I'm coming from  
I just like to make you see that  
I desire the simple things

Growing up we didn't have a lot of money  
Used to spend my summer having parties on the drive  
Plastic cups for rum and punch, eating chicken that's hot and sweet  
All the women discussing what love is like, ooh you know the way I mean  
And I'm just sitting watching hoping the boys will call for me  
Got that new song on repeat, oh oh

I'd, I'd like to put my fingers on you  
I'd, I'd like to paint a picture for you  
Sometimes you don't understand where I'm coming from  
I'm just trying to make you see that  
I desire the simple things

Maybe then now and then I would want somebody  
Delicate, intimate, used to dream of someone to love  
Now you come and you arrive by me  
I know I'm in love

I'd, I'd like to put my fingers on you  
I'd, I'd like to paint this picture for you  
Sometimes you don't understand where I'm coming from  
I just like to make you see that  
I desire the simple things  
I'd, I'd like to put my fingers on you  
I'd, I'd like to paint a picture for you  
Sometimes you don't understand where I'm coming from  
I just like to make you see that  
I desire the simple things
