

Don't Go Breaking My Heart

Corona

Don't go breaking my heart
Oh baby, love me now
Now I know, I need you more and more
Don't go breaking my heart
Oh darling, tell me now
Now your love is gonna save my life

Don't go breaking my heart
Oh baby, love me now
Now I know, I need you more and more
Don't go breaking my heart
Oh darling, tell me now
Now your love is gonna save my life

Don't go breaking my heart
Oh baby, love me now
Now I know, I need you more and more
Don't go breaking my heart
Oh darling, tell me now
Now your love is gonna save my life

Don't go breaking my heart
Oh baby, love me now
Now I know, I need you more and more
Don't go breaking my heart
Oh darling, tell me now
Now your love is gonna save my life
