

Animal Skins

Crack the Sky

Shine on backwards oh, masters of my fate
Tell me great ones just how I rate
Should I bow my head or scream your holy names
Tell me dear ones am I still in the game?
Shine on up down to you dear lords I pray
Give me answers and happiness today
Should I dress in white or wear thee around my neck
Tell me great ones just how to write the check

To pay for my sins and keep my lords in animal skins
To pay for my acts and keep my lords in white cadillacs
