

I Am

Craig Morgan

Am I a believer in what the Good Book's all about
Am I a good ole boy hangin' at the ole hang out
Am I a drinker of a cold one now and then
You bet I am

Am I proud of how I've been raised
Am I getting by on blue-collar pay
Am I country and willin' to take a stand
You bet I am

Am I strong enough to cry
Am I weak enough to show my tender side
Am I a rock, am I loved
Am I tough as nails when push comes to shove
Am I a chip off the block of my old man
You bet I am

Am I a sinner who's not afraid to die
Am I just like you, baseball and apple pie
Am I free and livin' in this Promised Land
You bet I am

Am I a dreamer with my feet on the ground
Am I down to earth with my head in the clouds
Am I a lover, a one woman man
You bet I am

Am I strong enough to cry
Am I weak enough to show my tender side
Am I a rock, am I loved
Am I tough as nails when push comes to shove
Am I a chip off the block of my old man

Am I strong enough to cry
Am I weak enough to show my tender side
Am I a rock, am I loved
Am I tough as nails when push comes to shove
Am I a chip off the block of my old man
You bet I am, oh, I am

Am I strong enough to cry
Am I tough as nails, you bet I am
Oh, I am, just like my old man, yeah
