

## I Love It

Craig Morgan

Here she comes two hours late  
but that girls always worth the wait  
yea and I love it  
She's got a tiny shirt on wrong side out  
she makes left to center seem right somehow  
oooooh and I love it  
She's got a way of being nonchalant  
Kinda quirky, everything I'm not

She's so un-ordinary  
so unpredictable, its scary  
and I think I've got more than what I bargained for  
but I keep coming back for more of it  
cuz I love it

She's got two tattoos  
one's on her back  
and I ain't sayin where the other ones at  
yea but I love it  
She don't own a dress  
but she's a beauty queen  
takes glamor shots in cut off jeans  
and I love it  
But if there's one thing that I love the most  
its how she does exactly what I think she won't
