

If You Only Had Today

Cris Cab

For each and every day it's a new time,
The sun is always shinning down for me, for me.
I'm walking down the streets but in my mind
I'd be walking on a message of a story, yeah!
I wake up in the morning, TRY TO CHANGE MY WAY,
And I know I'm gonna make it better.
I look into the mirror, every time I SAY:
If you only had today,
What you gonna to do now?
What you gonna do, ye-hey
If you only had today,
What you gonna to do now?

You gotta tell me right now what you gonna do,
You got the whole world sitting right in front of YOU.
You gotta tell me right now what you gonna do,
What you gonna do.

YES, each and every day is a new START,
I told my friend stopped staring at the wall east,
He's got a history of violence, but the kinda hard
And the kind of actions is not for me.
I wake up in the morning giving thanks and pray
I have a lot of room to get better,
I look into the mirror, every time I SAY:
If you only had today,
What you gonna to do now?
What you gonna do, ye-hey
If you only had today,
What you gonna to do now?

You gotta tell me right now what you gonna do,
You got the whole world sitting right in front of YOU.
You gotta tell me right now what you gonna do,
What you gonna do.

What would you do now!
If you only had today,
What you gonna to do now?
What you gonna do, ye-hey
If you only had today,
What you gonna to do now?

You gotta tell me right now what you gonna do,
You got the whole world sitting right in front of YOU.
You gotta tell me right now what you gonna do,
What you gonna do
