I Still Believe

Crystal Lewis

When I can't feel your love for me The pain in my soul, it won't let me sleep I imagine you here and it dries up my tears Even though I can't see I still believe...

I believe in love I believe in peace I believe someday You'll return for me I believe in things That I cannot see And when my heart says no I still believe

Just when I think my faith is gone I hear your sweet voice crying out hold on It's amazing how we, we're always meant to be And now I can breathe again

I believe in love I believe in peace I believe someday You'll return for me I believe in things That I cannot see And when my heart says no I still believe

I believe the sun will shine again And the loneliness someday will end I will stand right here 'til your voice I hear Forever and always

I believe in love I believe in peace I believe someday You'll return for me I believe in things That I cannot see And when my heart says no I still believe
