

# Say... If You Feel Alright

Crystal Waters

Just say hey, if it feels alright  
Just say hey, yeah, if you feel alright  
Just say hey, if it feels alright  
Just say hey, yeah, if you feel alright

Pay attention, listen here  
Crystal's gonna make it clear  
Everybody here tonight  
Better have a real good time

Let your hair down and decide  
Come go with me for the ride  
Don't sit down, get on up  
Join in with the rest of us

Hands in the air wavin'  
I want your body shakin'  
Foot stompin', music rockin'  
No, we are never stoppin'

Higher and higher  
We're goin' higher  
Higher and higher  
We're goin' higher

Just say hey, if it feels alright  
Just say hey, yeah, if you feel alright

It's the slam, it's the jam  
Every child, woman and man  
Use your skills you possess  
If you wanna pass this test

Don't concern, just go out  
Turn it up until it's loud  
Scream and shout, use your lungs  
As y'all join in this have some fun

Hands in the air wavin'  
I want your body shakin'  
Foot stompin', music rockin'  
No we are never stoppin'

Higher and higher  
We're goin' higher  
Higher and higher  
We're goin' higher

Just say hey, if it feels alright  
Just say hey, yeah, if you feel alright  
Just say hey, if it feels alright  
Just say hey, if you feel alright

Feel the power, feel the heat  
Feel together, feelin' free  
There's no need to ask why  
Don't let time pass us by

Come on out, feel the flow  
Just look yourself and go  
It's alright, it's alright, it's alright, oh  
[Come now, come now, come, come]

Just say hey, if it feels alright  
Just say hey, yeah, if you feel alright  
Just say hey, if it feels alright
