

Coming Home

Current Swell

I've been waiting for this train to come and take me away
When I can hear it around the corner it will be around the ne n
ext day
I've been waiting for this train to come and take me all night
Where I will be sleeping in the station I've been bosking for d
onations all right
Yeah all right

No matter where you are coming from, no matter where you roll,
believe me and it is true my friend it won't be long and you wi
ll be coming home
All right, yeah yeah

I've been waiting for the spoke to finally reach the show
And I've been sailing through the "nara nara" fishing out the s
ocial throat
I've been waiting for this ship to find a poll in the vain
So come you all to visit or I ain't coming home to stay

No matter where you are coming from, no matter where you roll,
believe me and it is true my friend it won't be long and you wi
ll be coming home

I've been gone for so long now I'm finally home
I won't let this ?torlant? tomorrow unescapable dome
So I'm leaving again my friends well it won't be long
So don't mind they're missing me my friends the day that I'm go
ne
Yeah Yeah Yeah

No matter where you are coming from, no matter where you roll,
believe me and it is true my friend it won't be long and you wi
ll be coming home
Coming home...

So lots of things that you don't have seen
All worth the time and all the pain that we've been through
And although that you are those places I've been
I love too all the places I never know
Yeah all right!
All right, now bring this home!

No matter where you are coming from, no matter where you roll,
believe me and it is true my friend it won't be long and you wi
ll be
