

Disco Inferno

Cyndi Lauper

To my surprise, one hundred storeys high
People getting loose now, getting down on the roof
I tell ya', the folks were screaming, there was a', there was a' out of control, yeah...
It was so entertaining when the boogie started to explode
I heard somebody say

(burn baby burn) disco inferno, yeah
(burn baby burn) burn that mother down, yeah
(burn baby burn) disco inferno, yeah
(burn baby burn) burn that mother down

Satisfaction, it came in a chain reaction
I couldn't get enough, so I had to self-destruct
I tell ya', I tell ya' now, now...
The heat was on, it was a rising to the top
Well now, everybody's going strong, yeah that's when my spark got hot
I heard somebody say

(burn baby burn) disco inferno, yeah
(burn baby burn) burn that mother down, yeah
(burn baby burn) disco inferno, yeah
(burn baby burn) burn that mother down

Up above my head
I hear music in the air (I hear music in the air)
That makes me know
There's a party somewhere...

Satisfaction, it came in a chain reaction
I couldn't get enough, so I had to self-destruct
I tell ya', I tell ya' now, now...
The heat was on, it was a rising to the top
Well now, everybody's going strong, yeah that's when my spark got hot
I heard somebody say

(burn baby burn) disco inferno, yeah
(burn baby burn) burn that mother down, yeah
(burn baby burn) disco inferno, yeah
(burn baby burn) burn that mother down

(burn baby burn) down
(burn baby burn) burn that mother down, yeah
(burn baby burn) down...
(burn baby burn)

Just can't stop...
When my spark gets hot
I just can't stop
When my spark gets hot...

You'll rescue me
Let my spirit run free
You'll rescue me
Let my spirit run free...
