

# Money Changes Everything

Cyndi Lauper

She said I'm sorry baby I'm leaving you tonight  
I found someone new he's waitin' in the car outside  
Ah honey how could you do it  
We swore each other everlasting love  
She said well yeah I know but when  
We did - there was one thing we weren't  
Really thinking of and that's money

Money changes everything  
Money, money changes everything  
We think we know what we're doin'  
That don't mean a thing  
It's all in the past now  
Money changes everything

They shake your hand and they smile  
And they buy you a drink  
They say we'll be your friends  
We'll stick with you till the end  
Ah but everybody's only  
Looking out for themselves  
And you say well who can you trust  
I'll tell you it's just  
Nobody else's money

Money changes everything  
Money changes everything  
We think we know what we're doin'  
We don't pull the strings  
It's all in the past now  
Money changes everything

Money changes everything  
Money changes everything  
We think we know what we're doing  
We don't know a thing  
It's all in the past now

Money changes everything  
Money changes everything  
Money changes everything
