Timothy

Dada

Look at me I'm ten feet tall
Jungle-Jim, hope I don't fall
Gather 'round for my playground show
They call me Time, my real name is Timothy

Your attention please but please not your sympathy My dad's real cool
He discovered Mars
And my mom is a movie star

The kids at school don't let me play anything But I don't care because I have everything Any boy could ever need A helicopter that takes me anywhere

A diamond horse, yeah my dad's a millionaire Don't mind the holes in my knees And my mom's a movie star Bill Green grabs his lunch from the window sill

I left mine home, how 'bout a bite of your sandwich, Bill A friend in need is a friend indeed The teacher asks oh where are you parents Tim It's been five months and I've seen no sign of them

My dad's not here He flew back to Mars and my mom is a movie star She's a movie star She's a movie star

My dad's drunk in a bar And my mom's crashed the car She's a movie star
