Sheets

Damien Jurado

Is he still coming around like an injured bird needing a nest?

A place to rest his head in a song you'll regret

Lord knows I don't want to compete

But I still sleep in the very sheets he's been in

Swallow him whole like a pill that makes you choke and stills y our soul

You have the nerve to look me in the eyes and lie Send him back

I'll share the trap that you have me in

Is he still coming around like an injured bird needing a nest? A place to rest his head in a song you'll regret Still you take him Lord knows I don't want to compete

Swallow him whole like a pill that makes you choke and stills y

You have the nerve to look me in the eyes and lie Send him back

But I still sleep in the very sheets he's been in

I'll share the trap that you have me in

(Still you sleep in the very sheets he's been in)
