

Gotta Get Down With The Passing Of Time

Damon Albarn

Gotta get down with the passin' of time
Or one day you'll find
Life's unkind

Oh you gotta get down with the passin' of time
Or one day you'll find
Life's unkind

Yes you will

You'll be older on
And all it takes is somethin'
To kick you over the edge
I was at the Niagara Falls today
And they really didn't make me wanna jump in
Oh that's good

Gotta get down with the passin' of time
Or one day you'll find
Life's not so kind

Oh you gotta get down with the passin' of time
Or someday you'll find
Life's unkind
