

I met god on the edge of town  
Where the wind meets the stillness  
Where the darkness meets the light  
Where the ocean meets the sky  
Where the desert meets the rain  
Where the earth meets the heavens  
On the edge of town  
I met god

I asked god  
Do one thing for me  
Send me back in time, send me to seattle  
Let me go find kurt cobain  
Take away his gun, take away his bullets  
Talk to him, make him want to live  
Tell him how we love him, help him see his glory

God said no, if I sent you back  
If you really found him  
You would only ask him if he could help you get a deal  
If he knows a lawyer, if he could help you  
God said no

I asked god, do one thing for me  
Send me back in time, send me to berlin  
Let me find the one they call hitler  
I will stalk him, I will bring him down  
I will bring along a powerful gun, loaded with bullets  
Obliterate his memory

God said no, if I sent you back  
You would get caught up in theory and discussion  
You would let your fears delay and distract you  
You would make friends, you would take a lover  
God said no

I asked god, do one thing for me  
Send me back in time, send me to jerusalem  
Let me go, let me go find jesus  
Let me save his life as they try to kill him  
Let me take him down, down from the cross  
Take the iron from his body, try to heal his wounds

God said no, if I let you go, if you really found him  
Walking with the cross you would stare  
Your tounge no longer working, eyes no longer seeing, ears no longer hearing  
God said dan, time belongs to me  
Time's my secret weapon, a final advantage  
God turned away from the edge of town  
He knew I was beaten  
And now was all I had  
God said no
