

## Winter

Dan Bull

Sleep through nuclear winter  
And rest  
Heal, reinforce, hold on  
And rise

Welcome to your kingdom  
Your paradi\*\*  
Welcome to your kingdom  
Your paradi\*\*

Bye bye bye

In heaven everything is fine  
In heaven everything is fine  
In heaven everything is fine  
You got your good things  
And you got mine  
In heaven everything is fine
