

# I Still Remember

Dan Hartman

(I still remember)  
Like a dream that lingers on  
(I still remember)  
I think it never will be gone  
(I still remember)

This kind of fun can play those sounds so right, oh  
(Should have been there)  
He can make that audience jump right up in the air

(I still remember)  
Although I move to different sides  
(I still remember)  
Ooh, I remember getting high on flashing lights

And that night on the kamikaze jump and go rise  
Sang real life, real life, real life, real life  
(I still remember)  
Oh, the whole place caught fire

I wanna say I still remember yesterday  
I still remember yesterday, oh-oh  
(I still remember yesterday)  
That's all I need to say now  
(I still remember yesterday)

(Two, three, four)

(I still remember yesterday)  
(I still remember yesterday)  
Oh, oh-oh-oh  
(I still remember yesterday)  
Ooh, that's all I need to say now  
(I still remember yesterday)  
I remember yesterday, yeah

(I still remember)  
Woo  
(I still remember)  
(I still remember)  
(I still remember)
