

Pick It Up

Dan Hartman

(Ahh, one, two, three, four)

Regulations, stipulations
Stand back, got my coat in hand
I got me happy feet, I got me happy feet

Shuffle down time, moving around time
Too many people telling me what to do time
I don't wanna take up any instruction
Being myself is all that matters to me

I'm gonna pick it up, yeah yeah
Come on and pick it up, yeah yeah
Oh, pick it up, yeah yeah
Come on and pick it up

I'm gonna pick it up, yeah yeah
Come on and pick it up, yeah yeah
Just let it go, oh
Pick it up, yeah yeah
Come on and pick it up

Instead of spending time being uptight
Thinking about what am I doing and where I'm going?
I'm laying back in the lap of a holiday
Away today

Pick it up, yeah yeah
Come on and pick it up
Hey, come on

Maybe we'll go to the city tonight
Or just hang out in the neighborhood (hang out in the neighborhood)
Whatever we do we'll be doing it right
Cause we're doing just what we should (doing just what we should)
Come on and pick it up

Pick it up
Everybody
Pick it up
Hey
(Hur-hur-hur-hur-hur-hur-hur-hur-hur)

Pick it up, yeah yeah
Come on and pick it up, yeah yeah
Just let it go, oh
Pick it up, yeah yeah
Everybody do it now
Pick it up, woo

Come on pick it up, yeah yeah
Come on and pick it up, oh, yeah yeah
Pick it up, yeah yeah
Come on and pick it up, yeah yeah
