

# Never Give Up

**Danger Danger**

Another lonely night  
Lost in the shadows and the neon lights  
So many strangers, so many lives  
Now it all seems the same, ooooh  
All with names and the faces change  
You can run, but you can't hide

Try to remember the good times  
Try to forget all the pain  
Keep holdin' on, don't let the feeling slip away

Never give up, just when you think there's no tomorrow  
Love comes along, to rescue a broken heart

I see it in your face  
You paid the price, for your mistakes  
But you don't have to pay anymore

Try to remember the good times  
Try to let go of the pain  
Keep holdin' on, don't let the feeling slip away

Never give up, just when you think there's no tomorrow  
Love comes along, to rescue a broken heart

Sunshine's knocking on your window baby  
Just try to let it in  
If you let it, love will drive you crazy  
Sometimes you gotta lose to learn how to win

Never give up, just when you think there's no tomorrow  
Love comes along, to rescue a broken heart  
Never give up, oh yeah, just when you think there's no Tomorrow

Love comes along, to rescue a broken heart  
Love comes along, to rescue a broken heart

Love comesa long, to rescue a broken... Heart
