## I Had Lost My Mind

## **Daniel Johnston**

I had lost my mind.

I lost my head for a while was off my rocker outta line, outta wack.

See I had this tiny crack in my head That slowly split open and my brain snoozed out, Lyin' on the sidewalk and I didn't even know it. I had lost my mind.

Why, i was sitting in the basement when I first realized it was gone.

Got I my car rushed right over to the lost and found.

I said "pardon me but I seem to have lost my mind."

She said "Well can you identify it please?"

I said "Why sure its a cute little bugger

About yea big a little warped from the rain"

She said "Well then sir this must be your brain"

I said "Thank you ma'am I'm always losin' that dang thing."

I had lost my mind.
