

# I Will

Daniel Johnston

Who knows how long I've loved you  
you know I love you still  
will I wait a lonely lifetime  
if you want me to I will

For if I ever saw you  
I didn't catch your name  
but it never really matters  
I will always feel the same

Love you forever and forever  
love you with all my heart  
love you whenever we're together  
love you when we're apart

And when at last I'll find you  
your song will fill the air  
sing it loud so I can hear you  
make it easy to be near you  
for the things you're doing dear to me  
and you know I will  
I will (if you want me to)
