

# Lazy

Daniel Johnston

Well I made some mistakes but  
I ain't learned a lesson  
That I don't wanna hear about responsibilities  
I got less important things to do

I'm lazy, Oh yeah  
Lost hopes and dreams down an empty road  
See no tomorrow  
But I got love for you girl  
I'm just too lazy to give it to you

I'm lazy, oh yeah  
Well I quit college and I quit my job  
I think I'll quit life  
Yeah I'm gonna quit again  
I think I'll quit one last time

I'm a quitter, oh yeah  
Quit this, quit that, quit everything  
I quit everything I ever began  
Quit that, quit this, quit everything  
I never finished anything I ever started  
But I think I'm gonna quit being a quitter
