

# Best Of Me

Daniel Powter

I was made the wrong way  
Won't you do me the right way?  
Where you gonna be tonight  
'Cause I won't stay too long?

Maybe you're the light for me  
When you talk to me it strikes me  
Won't somebody help me  
'Cause I don't feel too strong?

Was it something that I said, was it something that I did  
Or the combination of both that did me end?

You know I'm hoping you'll sing along  
Though it's not your favorite song  
Don't wanna be the wind  
There's nothing left to say

You know that some of us spin again  
And when you do you need a friend  
Don't wanna be the wind  
There's nothing left for me

And I hate the thought of finally being erased  
Baby that's the best of me

Everything's behind you  
But the hopeless stands besides you  
Living in the moment  
Have I wasted all your time?

Was it something that I said, was it something that I did  
Or the combination of both that did me end?

You know I'm hoping you'll sing along  
Though it's not your favorite song  
Don't wanna be the wind  
There's nothing left to say

You know that some of us spin again  
And when you do you need a friend  
Don't wanna be the wind  
There's nothing left for me

And I hate the thought finally being erased  
But baby that's the best of me, yeah  
Baby that's the best of me

You know I'm hoping you'll sing along  
Though it's not your favorite song  
Don't wanna be the wind  
There's nothing left to say

You know that some of us spin again  
And when you do, you need a friend  
Don't wanna be the wind  
There's nothing left for me

And I hate the thought finally being erased  
Baby that's the best of me
