## **All Over Your Body**

[Chorus]

## **Danny Fernandes**

All over your body [2x] All over your body, baby I wanna be all over your body [Danny] All over your body, body I wanna see what you got Girl you know your a ten, you probably hear that a lot So you run it, run it, that's why you here at my spot You could've been anywhere else in the world, but your not [Bridge] Na Na Na, I know she wants to have a little fun She picked the right one to get it done I say the same things to everyone [Chorus] All over your body [2x] All over your body, baby I wanna be all over your body [Danny] I know that she want it, want it Cause she heard I'm the best You heard so many rumors, let me put em' to rest Na- now get on it, on it Let me touch it, caress And you must be a murderer, have you kill in that dress [Bridge] Na Na Na, I know she wants to have a little fun She picked the right one to get it done I say the same things to everyone [Chorus] All over your body [2x] All over your body, baby I wanna be all over your body [Belly] No buddy, I am not a nobody Which you she's a good girl, with me she is so slutty Is he a comedian? Man, that boy is so funny Say he make it rain, baby he ain't throwin' no money I can make it hot, It's the Summer time man And I be on that body like a Summer time tan Ha! it's your mother fuckin' Summer time jam So put this shit up, for the Summer time Man [Chorus] All over your body [2x] All over your body, baby I wanna be all over your body
