

## Thirteen

Danzig

Bad luck wind been blowin' on my back  
I was born to bring trouble wherever I'm at  
With the number '13' tattooed on my neck  
That ink starts to itch  
Black gon' turn to red

I was born in the soul of misery  
And I never had me a name  
They just give me a number when I was young

Got a long line of heartache  
I carry it well  
The list of lives I've broken  
Reach from here to Hell  
And a bad luck wind been blowin' on my back  
Pray you don't look at me  
And I pray I don't look back

I was born in the soul of misery  
And I never had me a name  
They just give me a number when I was young

Found me with a preacherman confessin' all I done  
Catch me with the devil playing 21  
And a bad luck wind been blowin' on my back  
I was born to bring trouble wherever I'm at

I was born in the soul of misery  
And I never had me a name  
They just give me a number when I was young  
When I was young  
When I was young  
When I was young
