

Christmas Lights

Daphne Loves Derby

It's been 2 weeks since you left from this town
3 more days and you'll be home to save me from this winter chill
1

Christmas lights in different shades of blue
I look so pale I feel so stiff to not be here with you
Just tell me that you miss me too
You've been gone for too long

And I, I need you to be back come with me now (come back)
The snow outside means nothing when you're gone
Everything I needed is in you,so please come back.

Please tell me everything about your stay
So I'll listen till the end even if you dont make sense now
December never was this dull before
I'll wait for your return just tell me you'll return
Just tell me that you miss me too
You've been gone for too long
